British Cycle Quest

If you like your cycling to involve exploration and you enjoy discovering obscure places of interest, then the British Cycle Quest is just the thing! We give you the grid references and a very basic map; then it's up to you to devise your own route to reach each of the 402 locations, situated throughout Great Britain. Start with the ones nearest your own home and build on your total every time you go off cycling. There's no time limit!

All you have to do is answer a simple question to prove you've been to each location. It's fun, healthy, highly rewarding and anyone, whatever their cycling ability, can take part. What's more there are certificates and medals to be won along the way. Visit all 402 checkpoints and you'll be presented with a trophy at the National Dinner.

Please send me an information pack plus my local County Card.
